## THANK YOU!

Thank you supporters of Canton First Friday! What a great 10 years it has been and we couldn't have done it without you and the artists and small business owners of the Canton Arts District. It has been an incredible 2017 and we look forward to what 2018 will bring us. We wish you and your loved ones light and love for the new year.

And as a reminder, remember us when you think about your holiday shopping. These small business owners make some pretty cool stuff and appreciate your patronage all year long. Your hard earned money spent in the Canton Arts District goes right back into the local economy, strengthening our community, so thank you and we look forward to serving you!
